THE LAW ENFORCEMENT CASE FOR THE WORK AND FAMILY MOBILITY ACT

This bill would enable all qualified state residents to apply for a standard Massachusetts driver's license or identification card, regardless of immigrant status, while keeping our Commonwealth in full compliance with REAL ID requirements.

Between 41,000 and 78,000 eligible drivers in MA cannot get licenses because of their federal immigration status.

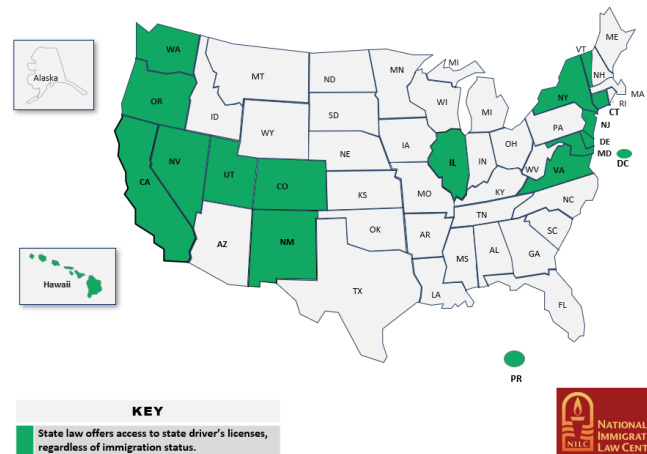

The benefits of this bill would include:

- 1) Road test requirement
- 2) Insurance requirement
- 3) Verified identification during roadstops by police.

We want drivers on the road to be tested, we want them all to have insurance, and we certainly want to know when we pull somebody over – who they are.

State Laws on Driver's Licenses for Immigrants | April 2020

Making sure everyone on our roads has valid identification enables our police officers to better identify drivers. Tested and insured drivers make the roads safer for everyone. This bill would ensure that all drivers know the rules of the road, pass the same driving test, register their vehicles, and have insurance.

**-Hampshire and Franklin
District Attorney David Sullivan**

This bill would promote trust between law enforcement and all the communities we serve and protect. In order for our state's police officers to best do their jobs and remain safe while doing so, they need to be able to identify who's behind the wheel.

City Chiefs of Police Association;
Chelsea Police Chief Brian Kyes**
